

## ZEETAH ZT-808 TYRE

After considerable research and development we are pleased to announce the 2020 release of our **49x20.5-25/17.00 ZT-808 mining tyres** with specially engineered ZT-808 tread pattern and rubber compounding.

49x20.5-25 tyres are uniquely built for low-profile Load Haul Dump (LHD) utility vehicles primarily used in underground coal operations. The ZT 808 will deliver reliable durability and a long traction life with the advantage of maximum safety and zero flat tyre downtime.
